WORKING BEE

Friday 31st July

&

Sunday 2nd August

Completing construction
of front fence

General gardening and
maintenance

31st July

School Green Day

31st July

Movie Night

Welcome

Welcome back to Term 3 everyone. It was great to hear that so many of you had a fantastic break but were also happy to be back at school. Traditionally this is a very busy term at school, with high expectations placed on our students in all areas of the curriculum. We know that our students will rise to the occasion and do their very best throughout the term.

Parent teacher interviews

Last night we conducted Parent Teacher interviews. It was wonderful to see so many of our parents in attendance on the night. The value of communication between home and school cannot be highlighted enough and we know that this can only lead to better outcomes for our students in their learning and growth at school. If you were unable to attend for an interview last night I would urge you to contact the school, and in particular your child's teacher, to arrange an alternative time.

Annual Snow Camp

Next week as you read newsletter no. 13 I will be on the slopes of Mt. Buller with a number of our students as part of the Frankston Federation of Schools annual ski camp. This is a wonderful opportunity for our students to experience the delights of skiing and snowboarding and to also gain valuable experience in socializing and getting along with a variety of students and staff from neighbouring schools. I know our students will represent our school, their families and themselves well. I'm sure that we'll hear all about their exploits after the camp.

Simon Anderson - Principal
