

## **VOLUNTEER GUIDELINES AND CONFIDENTIALITY DECLARATION**

Parents and volunteer helpers are always welcome at Frankston Heights Primary School. We continue to work hard to reflect the school's aims of establishing strong relationships between the community, home and school, and involving parent's/volunteer helpers fully and actively in the children's learning and in the life of our school. The safety of all students is paramount and the volunteer guidelines and confidentiality declaration have been put in place to protect their wellbeing.

We are happy to encourage parent/volunteer helpers to work within classrooms under the close guidance and direction of the class teacher. Any support offered, as long as it is pre-arranged with the teacher, is welcomed and valued in helping to support the education of the children in our care. We recognise that parent/volunteer helpers have a wide variety of experiences and skills which we are keen to find out about and use as much as we can in the classroom. If you have any special interests or skills, please let us know.

If you would like to be a parent helper/volunteer, we request that you follow these guidelines to ensure a successful experience for all.

Please:

- sign in at the front office before entering the classroom and sign out when you leave school grounds.
- avoid comparing children and their work.
- do not read any child's communication book or diary.

## CONFIDENTIALITY AGREEMENT

When undertaking the various roles or jobs at the school, we ask you to be aware of the following guidelines regarding confidentiality.

- All children's classroom work, records, results, behaviour, special needs and health/medical conditions are highly confidential and must not be discussed or referred to with any other person except when speaking with the teacher or education assistants about the role or support you might be providing in the classroom. Discussing children with other parents and community members is not permitted at any time.
- Events and serious incidents do occur from time to time in school. The circumstances of these situations and the actions taken by the school are best explained to the parents and the community by the school administration. If you are concerned by what you see or hear in the school, we appreciate you discussing this with the staff member you are working with and/or the principal. False or misguided information can seriously affect a school's reputation, and more importantly the incorrect perception of an individual student, and it is important that the school handles incidents in a considered and careful manner. You are not permitted to discuss any events or serious incidents outside of the classroom and social media is not to be used to voice your opinion. These will be considered as breaches of the volunteer guidelines.
- You may be informed by a student or have access to information about a child's health background or family situation, which is of a sensitive nature. This is privileged information and must not be shared with any other person outside the school. If you feel the information you receive has the potential to place a child at risk you have an obligation to discuss the matter with the teacher and/or principal.

Please sign and return the form below to the office, to acknowledge that you have read and understood the volunteer guidelines. You will not be permitted to volunteer in the classroom until you have signed both this form.
