- Monday 29th January
- Thursday 21st March
- Tuesday 28th May
- Monday 26th August

PRINCIPAL'S WELCOME

Welcome back to school! It was lovely to meet so many students and families on our first day back. Based on the number of smiling faces that welcomed me at the gate, it appears that the transition back to school was a smooth one.

A particular warm welcome to our new students, families and teaching staff for 2024, I hope you feel as welcomed into the FHPS community as I do.

I feel incredibly lucky to be joining such a vibrant school community and can't wait to meet all the students and their families. Throughout Term 1, my focus will be to establish strong relationships with as many people in the community as I can, please feel free to introduce yourself when you see me in the school yard or at the front/back gate.

Frankston Heights Primary is in a fantastic position, with dedicated and hard working staff, robust teaching approaches and a strong community culture. I look forward to continuing to drive a school that is already thriving.

Thank you all, have a safe and happy weekend. Well done on a successful first week back!

Kind regards,
Ricky Joyce - Acting Principal
