SCHOOL FACILITIES UPDATE

- The new oval irrigation system works commenced during the previous school holidays.
- Preparation for the oval resurfacing will commence directly after the school fair. The school oval will be out of action directly after the school fair. New turf will be laid early in December – we'll be looking for an army of volunteers to help roll out turf – more information to come.
- New goal post at the west end of the oval will be installed during resurfacing works.
- The cricket nets and concrete pads will be removed. We'll work with our student voice representatives in 2025 to determine the best use for this space.
- A new granitic sand path from the Heatherhill Road gate will be installed and lined with new native trees.
- Rolling facilities works – plastering, painting, lino resurfacing, etc will begin during the January holidays.
 - The main entrance gardens have been tidied and replanted. A water feature will arrive this week as a centrepiece in the garden to the right-hand side of the main entrance doors.
- The indoor/outdoor play space of the Prep classrooms will be reinvented with a jungle theme during the January holidays. This space will include bamboo feature walls, log seating, synthetic turf flooring, chalk board walls, artificial trees, etc.

CHILD SAFETY AND WELLBEING AT FRANKSTON HEIGHTS PRIMARY SCHOOL

Frankston Heights Primary School is committed to providing an environment where students are safe and feel safe.

Our child safety framework explains how we support and maintain child safety and wellbeing at Frankston Heights Primary School. It includes our:

- Child Safety and Wellbeing Policy
- Child Safety Reporting and Responding Obligations Procedures, and
- Child Safety Code of Conduct, which outlines acceptable and unacceptable behaviours for all staff and volunteers at our school. These can all be found on our website.

Our students and families are important partners in providing a child safe environment. These regular newsletter reminders are one of the ways we ensure our school community is aware of: our commitment to child safety, and how to provide feedback or raise child safety concerns.

If you have any concerns about child safety at any time, please contact the principal on 9783 4988. Any child safety complaints or concerns are treated seriously.

We also welcome your ideas on ways we can improve our approach to child safety and wellbeing. If you have any suggestions or comments, please contact a member of the executive team.

Have a great weekend – only 6 more sleeps until the FAIR!

Principal

ENROLMENT UPDATES

SIBLING ENROLMENTS FOR 2026

Enrolments are now open for 2026 Prep Siblings. We are wishing to confirm Sibling enrolments by the end of this term as this assists us in determining placement availability for our 2026 Prep Cohort. Our enrolments for 2026 will open at the beginning of 2025. Therefore, we ask all families who will have a Prep child in 2026, to please contact the school office to obtain an enrolment form and secure your child's place for 2026.

FAMILIES LEAVING FHPS AT THE END OF 2024

If your child will be leaving FHPS at the end of the year, please contact the school office as an administrative transfer is required from school to school. This information greatly assists us in our planning for grades for 2025, which has already commenced.

Due to the shortened classroom times on the day of the Fair, we ask that students leave school bags at home. Students may bring their own snacks and lunch in a disposable bag or purchase lunch at the Fair. There will be a variety of food available for purchase from midday onwards.

Options include BBQ sausages, burgers, pizzas, party pies and sausage rolls. Other treats include ice cream, popcorn, slushies, ice cream spiders.
