## CROSSING SAFETY

Please be extra vigilant when walking, riding, or scooting to school, especially around the roadwork areas. Your safety is important, so stay alert and pay close attention to your surroundings.

We strongly encourage all students to use the supervised crossings wherever possible to ensure a safe journey.

Stay safe!

## ROADWORKS

### Heatherhill Rd and Kalmia Street Intersection Improvement Works

Frankston Council have advised that intersection improvement works are scheduled to commence on **Thursday 3 April 2025** at the intersection of Heatherhill Road and Kalmia Street and are expected to take approximately two and a half weeks, subject to weather conditions.

The works will include kerb realignment, new pram crossings, and modifications to the existing central island and splitter island to improve traffic flow and road safety at this intersection.

To ensure the works are carried out safely and efficiently with minimal disruption to the community, the **majority of the work will be completed during the April school holiday period.** During this time, **Valley Road and Kalmia Street will be closed** at the Heatherhill Road intersection, with detours in place.

# SCHOOL FUN RUN

The energy was already electric as staff gathered early in the morning to set up for our annual School Colour Fun Run! Gradually, the oval was transformed into an adventure course, packed with thrilling obstacles for students to navigate around, over, and through.

A magical morning set the perfect scene for students, families, and staff to come together and enjoy this event. It was wonderful to see so many members of our school community join in the fun and celebrate with our students.

READY, SET, GO! FHPS students took to the track. Clouds of vibrant coloured powder filled the air, painting the atmosphere with excitement, while bursts of cool water sprays from giant water pistols kept everyone refreshed. Laughter and screams of joy echoed across the course as students ran, walked, jumped, and crawled their way through, their faces lighting up with every challenge.

Thank you to all the families who have supported this fundraising event. Your enthusiasm and generosity have made a tremendous impact on the success of this event.

Funds raised from the Fun Run will go directly towards the development of two new landscaped play spaces for our school. The first will be located next to the sandpit and will feature a beautiful dry creek bed, offering students a space to explore and interact with nature. The second play area, located outside the Year 3 and Year 5 classrooms, will include a comfortable seating area and a deck, providing a perfect spot for students to relax, socialise, and enjoy their break times.

**PRIZE  
ORDERING IS  
NOW OPEN**

A quick reminder: Prize ordering opened today and will close on Wednesday, April 2nd. Please ensure you finalise your child's prize selections by this date to avoid any disappointment.

Thank you once again to everyone who made the Fun Run such a success. We look forward to watching our new play spaces come to life!
