2026 INTERNATIONAL COMPETITIONS & ASSESSMENTS FOR SCHOOLS (ICAS)

Dear Parents/Guardians,

We are excited to once again offer students in Years 2-6 the opportunity to participate in the 2026 ICAS (International Competitions and Assessments for Schools).

ICAS is a globally recognised online competition in English, Mathematics and Science that challenges students to think critically and apply their problem-solving skills in new and engaging ways. It provides a wonderful opportunity for students to extend themselves beyond the classroom and experience academic challenge at an international level.

All participants receive a certificate and a detailed results report to celebrate their achievements and track their progress. High-performing students may also be awarded prestigious ICAS medals.

We encourage families to consider this opportunity for children who are motivated to challenge themselves and further develop their academic skills.

The 2026 online ICAS assessments will be held at Frankston Heights Primary School on:

Assessment	Date	Cost (inc. GST)
