18 December

**Last Day Term 4 - 1.30pm
Finish**

CELEBRATING PRINCIPAL'S DAY 2026

Parking Reminder

A reminder to all families, please take care to observe all parking signs, parking time restrictions and road rules when dropping off or collecting students from school.

These restrictions are in place to help keep our students, families and the wider community safe. Please ensure you only park for the permitted time, avoid parking in signed No Stopping or No Parking zones, across driveways, on nature strips, or in areas that may obstruct visibility for pedestrians and other drivers.

We understand that school drop-off and pick-up times can be busy, but taking a few extra moments to park safely, legally and within the posted time limits helps ensure everyone arrives and leaves safely.

Thank you for your cooperation and for helping us keep our school community safe.

Bike Safety Reminder

A friendly reminder to please encourage children to ride their bikes safely when travelling to and from school. Please remind them to be aware of pedestrians and other road users, and to walk their bikes when they are close to the school grounds.

Thank you for helping us keep everyone safe!

Grooming Reminder

A friendly reminder to families that students with hair extending beyond shoulder length are required to have their hair tied back while at school.

Please also remember that:

- Non-natural hair colours, including green, pink, blue or purple, are not permitted.
- Extreme haircuts or styles, such as mohawks, spikes or hair graffiti, are not permitted.
- Hair ties and ribbons should be in school colours: yellow, black or red.

Thank you for your support in ensuring our students follow the school's uniform and grooming expectations.

FHPS TRIVIA NIGHT

ANOTHER ONE BITES THE DUST!

On Friday 7 August, Boganville descended upon FHPS for what can only be described as an absolute ripper of a night. Our dynamic duo, Dom and Simon, arrived in full bogan regalia and proceeded to absolutely send it from the moment they hit the stage.

And what a crowd! Flannies, trackies, UGG boots, thongs, ripped denim and stonewashed jeans were out in force. Mullet aerodynamics were on point; rat tails were proudly on display and even Kath and Kim graced us with their presence. "Look at moi. Look at mooi-yy!"

Then came the trivia. And fair dinkum, it was a corker.

Warwick Capper. Merv Hughes. Jimmy Barnes. Corey Worthington. The late, great Shane Warne. Bogan royalty, one and all.

But let's talk about Dom and Simon. Their energy, quick wit, comedic timing and ability to keep a room full of competitive bogans entertained for hours was nothing short of brilliant. They didn't just host the night; they owned the joint. The boys were on fire, and we're not entirely convinced they should be allowed to hang up the mics just yet.

There were coins flying, prizes being battled for and plenty of competitive banter as teams went head-to-head for the coveted Maker's Mark whiskey and Organic Bay gin. Boganville was alive and well at FHPS.

Congratulations to Brooklyn 3199, who scraped across the line by a single point and then absolutely nailed their on-stage rendition of Never Tear Us Apart by INXS. A very fitting way to finish the night. Dead set legends.

A massive thank you, to everyone who came along, dressed up, got involved, donated prizes and helped make the night such a cracker.

A special shout-out to our incredibly generous prize donors:

- **EmLou.art** - for the beautiful contemporary artwork
- **Organic Bay Distillery** - for their renowned and famous bottled gin
- **Camp Australia** - for the 'Before and After School Care' vouchers
- **Jess Flahive Photography** - for the 'Game Day' photography prize

Finally, to Dom and Simon, boys, you're absolute legends. Don't even think about hanging up those mics. Bogan Trivia is coming back in 2027, and we're expecting the mullets, the mayhem and the magic to be bigger and better than ever.

What a crowd! What a night! What a ripper of an event!

FHPS VOLUNTEER CHILD SAFETY INDUCTION REQUIREMENTS

FHPS greatly values the support of our volunteers. Your contribution enriches our school community and helps provide valuable learning opportunities and experiences for our students.

We have recently updated our Volunteer Induction processes to ensure all volunteers are appropriately inducted and familiar with our Child Safety and Occupational Health and Safety (OHS) requirements.

Before undertaking any volunteer role where children are, or are reasonably expected to be, present, all volunteers will need to complete the following requirements:

- **Working With Children Check (WWCC):** Please present your current WWCC to the Main Office, where an administration staff member will take a copy for our records. Volunteer WWCC details will then be uploaded to our new SAM4Schools system for validation.
- **Child Safety and OHS Induction:** Once your WWCC has been validated, you will receive an email with information and documents relating to the school's Child Safety and OHS requirements. Volunteers will be required to read the documents provided and acknowledge that they understand and accept the relevant requirements before commencing their volunteer role.
- **Onsite induction:** Prior to your first volunteer session, a member of our Administration team will complete an onsite induction with you. This will provide an opportunity to discuss our procedures, expectations and any questions you may have.

All volunteer induction documents and acknowledgements must be reviewed and signed every 12 months to ensure that our records remain current, and volunteers are familiar with the school's requirements.

These processes are an important part of ensuring FHPS provides a safe, welcoming and supportive environment for all students, staff and volunteers.

FHPS POLICY REVIEW INFORMATION

At Frankston Heights Primary School, we are committed to ensuring our policies reflect current Department of Education requirements and support a safe, inclusive and positive learning environment for all members of our school community.

A number of school policies have recently been reviewed and updated. The revised policies are now available on the school website for families to access at their convenience.

We encourage all families to take the opportunity to familiarise themselves with these important policies, particularly those listed below:

- [Digital Technologies Acceptable Use Agreement: Prep-Year 2](#)
- [Digital Technologies Acceptable Use Agreement: Years 3-6](#)
- [Bullying Prevention](#)
- [Child Abuse \(including Grooming\) - Identification and Response](#)
- [Complaints](#)
- [Mobile Phones](#)
- [Statement of Values and School Philosophy](#)
- [Student Engagement and Wellbeing](#)
- [Volunteers](#)
- [Volunteer Child Safety Induction Pack](#) (including updated acknowledgement and declaration requirements to strengthen volunteer accountability).

Feedback on the above policies is invited from members of the school community. If you have any questions or would like to provide feedback on the policies, please contact the school office. Your enquiry will be directed to the appropriate staff member for consideration and response.
